

Press Release

Accuracy continues to strengthen its international headcount with four new Partners.

Neuilly-Sur-Seine, 13th November 2017

The independent advisory firm Accuracy, created in 2004, has recruited four new partners in four of its ten countries, thus bringing the total number of partners to 43 for a total headcount of 360.

Accuracy's Frankfurt office has taken on a new Partner, **Guido Althaus**, 49 years old. Guido has over 20 years of experience in Big Four firms and at Alvarez & Marsall. He is specialised in transactions, both national and international, as well as restructuring operations. He has worked for capital investors, international groups and German small and medium-sized businesses. Guido is a Wirtschaftsprüfer (certified public accountant) and has a Diplom-Kaufmann from Goethe University in Frankfurt.

Rick Barker, 45 years old, joined Accuracy in Milan to establish the Accuracy Forensic Technology Lab. From Milan, Rick will lead a fully international team, experienced in the latest cutting edge analysis techniques in terms of computer forensics and searching for evidence in electronic formats. Before joining Accuracy, Rick Barker was based in Dubai where he led a Big Four firm's Forensic Technology team covering the MENA region. He had previously held this function in London. He started his career as a police officer in Australia in the cyber-criminality service.

Jas Cheema, 42 years old, has joined the London team. Jas, with over 17 years of experience, specialises in forensic construction quantum, project advisory and dispute resolution. He is a chartered surveyor and a member of both the Chartered Institution of Civil Engineering Surveyors and the Chartered Institute of Arbitrators. His areas of expertise include providing expert advice and testimony on construction quantum including the assessment of additional costs, prolongation, disruption and loss and expense on a variety of construction and infrastructure projects worldwide. He is mentioned in Who's Who Legal as a leading Construction Expert and he has been appointed and testified, as quantum expert, in Arbitration/mediation proceedings in Europe and the Middle East. Jas holds a BSc (Hons) in Civil Engineering Commercial Management and a MSc in Construction Law.

Reinier Huisman, 39 years old, has become Accuracy's third Partner in the Netherlands and is responsible for Strategic Advisory solutions. He has over 10 years of experience in corporate strategy/M&A, strategic consultancy and transaction services. His focus will be on the extension and fortification of Accuracy's brand recognition in the area of strategic advisory in the Dutch market and to capitalize on opportunities in this domain for our Dutch but also our international client base.

For **Frédéric Duponchel**, Managing Partner and CEO of Accuracy, 'our new partners have very international profiles. They are able to deal with business heads' issues and are great experts in their fields. Integrated into our international teams, they enable us to put together new skill combinations and increase our expertise, and, in this way, allow us to extend our sphere of operations considerably.'

About Accuracy

Accuracy, 100% held by its partners, is the sole totally independent international player in its field of expertise providing advice to company management and shareholders (facts, figures, strategy).

Accuracy combines various areas of expertise to translate strategy into figures, understand them, analyse them, question them, verify their reliability and provide recommendations based on them. In this way, Accuracy's teams help company management make effective decisions.

Accuracy provides its in-depth knowledge and expertise to its clients to help them face different situations: acquisitions, disposals, litigation, disputes, companies in difficulty, restructuring.

Accuracy is present in 10 countries in Europe, North America and Asia and leads engagements all over the world.

Accuracy counts 360 consultants, of which 43 partners.
